

# Demi Pair Programme

Do you...

...want to study English abroad?

...love working with children?

...want to come to Australia?

**Then why not become a Demi Pair?**

A Demi Pair is a full time student and part time Au Pair who holds a "Student with Permission to Work Visa". In the Demi Pair Programme students live with a local family and take care of the children. Our Demi-Pairs also study English at Milner College each day, so you are learning English and making friends too.

**Check out our website now to find the course that best suits you!**
